I hope so. because, if not, we will be on a path to war in a few years. Not a single conservative accepts a Biden presidency. this is unheard of fraud

The 'give a fuck' meter is pretty well busted for letting the left get away with any more.

disagree. at the heart of the conservative belief, is that people can change for the better and hence, why we must exhaust all peaceful means before taking up arms. it is the blm/pantifa/satanists who say we are inherently evil and resort to killing/violence from the start

They will find out quickly...as in tomorrow how violent we can be. We've been patient. If tomorrow doesn't work out we start stacking bodies.

its too early for war. how many of us are funding these globalist communists via cable news, shopping at stores that hate us? we need economic warfare first, then the globalists will resort to violence: only then do we take up arms.
